Good News!

The 2019 Brandon Town Meeting exempted the Brandon Masonic Association from property tax for another five years. Special thanks to Bro.: John Moulton and Wor.: Bro.: Harry E. Hunt who spoke to the town meeting on this. The motion met a little vocal opposition, and the Moderator called for a count. We will need to petition again for Town Meeting 2024. Tax exemption allows us to be more robust in our support of community and Masonic charity.

Sustaining our Lodge

Brothers of St. Paul’s Lodge,

Thank you for the honor of allowing me to serve the Craft as master of St Paul’s Lodge. I am humble enough to recognize the weight of the office. And I am full of hope for what we will do together in Masonry and for Masonry in the coming months.

There is nothing wrong with our lodge that can’t be cured by more of what is right in our lodge. There are so many good men in our lodge that I would never have met if not for Masonry.

The simplest meaning of a “trestleboard” is to lay out the plans for the Craft to undertake. My brothers, we have a healthy lodge, but a lodge which we must help to grow, or watch it wither. So:

Our top priority will be to identify quality men and raise new Masons this year. We will use the nationwide “Not just a man. A Mason” campaign and a system developed by the Grand Lodge of Maine and shared with me by a Past Grand Master there.

A stronger St Paul’s Lodge is the goal. I hope you will help achieve it. If you haven’t been to lodge in some time, come on back home. We’ve got the chairs filled, and your company is all that’s missing.

Respectfully and fraternally,
 Seth Michael Hopkins, Master-elect
